More info: They are a family owned company that has been servicing Arizona since 1969. They have 8 locations around Arizona with approximately 80 employees. They want to let our fellow Arizonans know that during this difficult time we are doing everything in our power to be there for our customers. At this moment they are maintaining our normal store hours and have taken extra measures to ensure a clean environment for our customers. In this time of uncertainty, they are doing everything in our power to keep essential items in stock to serve our community.

### **Vx3 and Solid State Design**

Website: <http://vx3llc.com>

More Info: They are a full production A/V company local here in Phoenix. They have built a full stage/studio in our shop for local bands to stream a concert to their social media followers for free and potentially make some revenue. They also are looking to help local restaurants advertise through the streams. Vx3 and SSD are doing our best to think outside of the box and help our community the best we can. If this is something you could potentially benefit from as well, or anyone in your market, please feel free to call or email Kris Roos, (480) 518-0521 or kris.roos@visioncollective.com.

### **FetchFlash**

Website: <https://fetchflashgo.wixsite.com/website>

Phone: 6023450318

More info: Due to the recent events. My wife and I decided to start 'FetchFlash' an errand service to help support Social Distancing and to help slow down the spread of Covid 19. Our errand service will allow more people to remain safely at home, while we go out and take care of their daily errands. We need your help and support to share the word. So that our community can take advantage of the available service. Please, contact us at your earliest convenience. Thank You and Stay Safe! @FetchFlash

### **TCB'S TRANSPORTATION**

Phone Number: 602-783-0792

More info: Willing to help anyone with their transportation needs during this national crisis. We offer to take them or deliver their groceries, meds or even food they have ordered. They have been in the valley for 25 years and have very good knowledge of areas. Please allow them to do their part so they can try to make a difference during the hard times.
