Help Planet.

It's just like a
fast food drive-thru,
but we pay you!

**DRIVE-UP.
CASH-IN.
MOVE-ON!**

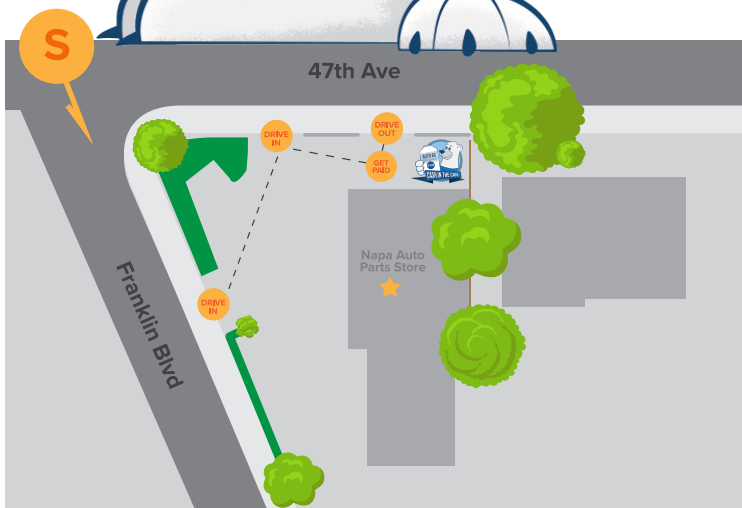

THE ENTIRE TRANSACTION SHOULD ONLY TAKE
**10
MIN**

HERE'S HOW IT'LL GO:

- 1 Pull into the line.
- 2 A Greeter will ask how many cans you have. If it's a small amount (1-10 cans), you will be directed into the drive-thru line. If it's a larger amount, you'll be directed to a special area where social distancing practices will be employed.
- 3 Once in line, you'll be met by one of our Drive-Thru Attendants with a cart. While staying seated in your car, place the cans on the cart.
- 4 The Attendant counts the cans, counts out your cash, and then you're on your way!

EVENT TIPS

- > Wear a mask at all times
- > Have the cans where you can reach them
- > Ask friends and family if they have cans
- > Cans can be EMPTY or NOT
- > There is NO LIMIT to the amount of cans
