How to Win

7. Upon each of the drawing dates and times set forth in Section 6 above, the Station will randomly select one (1) entrant from among all entries received prior to the date and time of such drawing as a finalist in this Contest, subject to verification of eligibility and compliance with these Contest rules (each, a **"Finalist"**). Each verified Finalist will be eligible to receive one (1) Qualifying Prize (*as described in Section 14 below*) and will be pre-assigned to the one (1) specific Qualifying Game before which they were selected as set forth in Section 6 above. The name of each Finalist assigned to each Qualifying Game may be announced on-air on WJFK-FM (or its network affiliates) prior to, during and/or after the commencement of the broadcast of the Qualifying Game to which they were assigned. Finalists will be notified by telephone and/or email promptly following each random drawing and notified of which designated Qualifying Game to which they have been assigned. Finalists must execute any required affidavit of eligibility and/or liability/publicity release forms by 4:00pm (ET) on the date of the random drawing they were selected on or an alternate Finalist will be selected by a Station-conducted random drawing of the remaining entries received. Finalists do not need to be listening to win.
8. Any entrant has been selected and verified to be Finalist is disqualified from again being selected as a Finalist for the remainder of the Contest, and will not be permitted to enter the Contest again.
9. **Grand Prize Contest – Hit for the Cycle**
 - a. Subject to the conditions set forth below in these Contest rules, if a Team batter "hits for the cycle" which includes hitting a single, a double, a triple, and a home run (not necessarily in that order) during the Finalist's respective Qualifying Game including extra innings if applicable, subject to the conditions set forth herein (the **"Prize Winning Condition"**), then the Finalist assigned to that Qualifying Game will win a Grand Prize, subject to verification of eligibility and compliance with these Contest rules. **There may be up to, but in no event more than, one (1) Grand Prize awarded per Qualifying Game.** If no Team player hits for the cycle during a Qualifying Game, that Qualifying Game's assigned Finalist will not win a Grand Prize in the Contest, but will still win a Qualifying Prize.
 - b. For the purposes of these Contest rules, in order to "hit for the cycle" and meet the Prize Winning Condition, a batter from the Team must acquire, in any order, a single, a double, a triple, and a home run during a single official Qualifying Game. Hits may not be combined by multiple players (*i.e. the same individual player must record all (4) required hits by themselves*). These must be official base hits as recorded by the official scorer present at the Qualifying Game (*i.e. a batter reaching first base on an error is not credited with a single*). A batter will have nine (9) innings plus any extra innings if applicable in order to complete the cycle and meet the Prize Winning Condition. In order for the home run to be considered valid for the purposes of the Prize Winning Condition, the ball must clear the outfield fence on the fly, without the aid of an opposing player or any other person, surface or object. A ball that touches a fielder prior to crossing the plane of the outfield fence will not constitute a winning home run for this Contest, irrespective of the official scoring of the play. Any home run which occurs as the result of a spectator who in any way interferes with an opposing player who is attempting to catch the ball (*i.e. grabbing a player's arm, removing ball from a player's glove, etc.*) will not constitute a winning home run for this Contest and will not meet the Prize Winning Condition, irrespective of the official scoring of the play. A home run must be generated by a ball that is hit over the outfield fence. An inside-the-park home run may constitute as a winning home run for this Contest as long as it is officially scored as an inside the park homerun. The Qualifying Game in which the Team player hits for the cycle and meets the Prize Winning Condition must be an official game. If the game in which a batter has hit for the cycle is canceled for any reason prior to becoming an official game, all hits are removed

from the official score book. Therefore, there will be no winning Finalist based on this game. No changes by the official scorer on any ruling (*i.e. changing an error or a fielder's choice to a hit*) will be acknowledged after the completion of the Qualifying Game. If a Qualifying Game is re-scheduled or postponed for any reason, the make-up Qualifying Game will be eligible for a Grand Prize and the selected Finalist will remain. If the Qualifying Game is cancelled and no make-up Qualifying Game is scheduled, the Finalist is no longer eligible to win a Grand Prize.

- c. Potential Qualifying Prize winners and potential Grand Prize Winner(s) will be notified at the telephone number which he or she provided upon qualification within twenty-four (24) business hours of the completion of his or her Qualifying Game. In the event Station does not reach potential winner, Station will leave a message.

10. Effect of Rescheduled/Cancelled/Incomplete Qualifying Games:

- a. If a Qualifying Game is cancelled, without being rescheduled, for any reason prior to becoming an official game, all statistics are removed from the official score book and no prize claims will be acknowledged for that Qualifying Game, even if a prize would have otherwise been awarded pursuant to Section 9 above.
 - b. If a Qualifying Game is rescheduled to a game date prior to October 31, 2020, then that assigned Finalist and Qualifying Game, as rescheduled, shall be eligible to win under the terms of these Contest rules.
 - c. Any rain-shortened Qualifying Game, or any Qualifying Games that are less than 9-innings, shall be eligible for the potential prizes in these Contest rules as long as the Qualifying Game is considered an official game (minimum 5-innings), and the stats of the Qualifying Game are officially recorded by the league.
11. Qualifying plays must be recorded in the game stats of a regulation game played by the Team. If any Qualifying Game is called and therefore not a regulation game, a Grand Prize will not be awarded for that Qualifying Game. If any Qualifying Game is suspended and play resumed, or rescheduled to a future date, so that the Qualifying Game is designated a regulation game, even if the rescheduled date of such game falls after the Registration Period, such Qualifying Game shall be deemed eligible for the purposes of the Contest in accordance with Section 9 above.
12. In the event that a winner or Finalist is disqualified, for any reason, at any time, the Prize that he/she may have otherwise been entitled to will not be re-awarded and will remain the property of Station or its designee.
13. **NOTWITHSTANDING ANYTHING CONTAINED HEREIN TO THE CONTRARY, THERE WILL BE A MAXIMUM OF ONE (1) GRAND PRIZE AWARDED PER QUALIFYING GAME IN THIS CONTEST (IF ANY).**

- c. Grand Prize check will be mailed to the Grand Prize Winner between approximately eight (8) and ten (10) weeks after the Station receives all required paperwork back from the Grand Prize Winner. Odds of Winning

16. The odds of becoming a Finalist in the Contest depend on the number of eligible entrants received during the Registration Period. The earlier you enter this Contest, the greater number of drawings that you will be included in and the greater your chance of winning. The odds of any Finalist winning a Grand Prize depend on the play of the Team for each Qualifying Game.
