"250,000 people is an amazing accomplishment!" said Dave Chesler, Promoter for Larry Magid Entertainment Group. "TSO has proven through their 20<sup>th</sup> year of touring, that they're still growing, they're still rockin', and their fans love them!"

"It's been an honor to host Trans-Siberian Orchestra and the nearly two hundred fifty thousand TSO fans that have come through our doors since 2001," said Stephen Poremba, SMG Director of Sales and Marketing at Mohegan Sun Arena. "TSO has been electrifying fans in the greater Wilkes-Barre area for the last 20 years and it's only fitting to have TSO's 20<sup>th</sup> Anniversary Tour help kick off our venue's 20<sup>th</sup> Anniversary season."

TSO's annual November-December multi-sensory extravaganza, which sells out venues year after year, has cemented the group's status as a must-attend, multi-generational, holiday tradition. This year's 20<sup>th</sup> anniversary tour, a presentation of TSO's unforgettable "The Ghosts of Christmas Eve," featuring founder/composer/lyricist Paul O'Neill's timeless story of a runaway who finds her way into a mysterious abandoned theater, is set to begin on November 14<sup>th</sup> and will visit 65 cities across North America, for 100-plus performances, before concluding on December 30<sup>th</sup>. TSO's Winter Tour 2018 is presented by Hallmark Channel.
